LIMITED JOINT STIPULATIONS
BETWEEN ENFORCEMENT BUREAU AND MARITIME
AND PROPOSED DISCOVERY SCHEDULE

1. During the November 20, 2012 prehearing conference, and by Order, FCC 12M 53, the Presiding Judge directed the Enforcement Bureau (Bureau) and Maritime Communications/Land Mobile, LLC (Maritime) to “submit *an unqualified* Stipulation wherein

LIMITED JOINT STIPULATION

2. Pursuant to the Presiding Judge's directions, the Bureau and Maritime agreed to the following unqualified stipulations.

3. The following are stipulations of fact, and the parties hereby agree that they may be relied upon as establishing the stipulated facts without the need for any further evidence or proof. These following stipulations are not intended and should not be construed as legal conclusions. Neither party is hereby conceding any point of law or waiving its right to argue any legal conclusions that may appropriate based on these facts.

4. For purposes of these stipulations, “AMTS service” means service provided to end user subscribers (whether maritime or land mobile) and/or the leasing of spectrum and the protection of spectrum lessees' operations.

9. As directed by Order, FCC 12M-53 (ALJ, rel. Nov. 21, 2012), the Bureau and Maritime propose the following partially revised discovery schedule to accommodate delays caused by Hurricane Sandy.² This proposed discovery schedule permits the Bureau to complete its deposition discovery of the DePriests and supplement prior depositions by selective interrogatories, document requests, and requests to admit. As discussed during the November 20, 2012 prehearing conference, additional procedural dates are currently being held in abeyance.

Depositions of Mr. and Mrs. DePriest	January 15, 2013 and January 16, 2013	Tues./Wed.
Close of Discovery	March 1, 2013	Fri.

10. Maritime, by its respective counsel, represents that it has read this Limited Joint Stipulations Between Enforcement Bureau And Maritime and Proposed Discovery Schedule, concurs with the statements therein, and has authorized the undersigned counsel for the Bureau to file this document on its behalf.

² The dates set forth in this proposed discovery schedule are contingent upon satisfactory resolution of Maritime's concerns related to Mr. Havens' FOIA requests. If these concerns are not satisfactorily resolved before mid-January 2013, the dates for the DePriest depositions and the close of discovery may need to change.

Respectfully submitted,
